Dear Iosco Township Resident:

Granger Waste Services is happy to announce we have reached an agreement to continue providing waste collection services to Iosco Township residents.

Granger is a Christian, family-owned and operated company headquartered in Lansing. We've been providing reliable service to mid-Michigan customers for more than 50 years.

Your Granger service includes a cart. If you don't already have a cart, one will be delivered to you at the end of April. Please start using your Granger cart right away. We will not collect trash from personal containers.

If you have an Alchin's cart, we will be exchanging it for a Granger cart in the near future.

If you need to dispose of any additional bags of trash or large items like furniture or appliances, please contact us 48 hours before your service day to schedule and prepay for service.

Please note, we are no longer offering recycling membership at the Fowlerville drop-off as part of your service.

You can find more information and guidelines for your new service in the enclosed Customer Guide. Please review the contents of this document carefully and keep it for future reference.

If you have any questions or need more information, visit our website at www.grangerwasteservices.com, find us on Facebook at www.facebook.com/collectingtomorrowsenergy or call our office at 1-888-947-2643.
